Description of Services: Please see the enclosed materials for a specific description of the programs that you have purchased.

Limitations, Exclusions & Exceptions: This program is a discount membership program offered by Careington. Careington is not a licensed insurer, health maintenance organization, or other underwriter of health care services. No portion of any provider's fees will be reimbursed or otherwise paid by Careington. Careington is not licensed to provide and does not provide medical services or items to individuals. You will receive discounts for medical services at certain health care providers who have contracted with the plan. You are obligated to pay for all health care services at the time of your appointment. Savings are based upon the provider's normal fees. Actual savings will vary depending upon location and specific services or products purchased. Please verify such services with each individual provider. The discounts contained herein may not be used in conjunction with any other discount plan or program. All listed or quoted prices are current prices by participating providers and subject to change without notice. Any procedures performed by a non-participating provider are not discounted. From time to time, certain providers may offer products or services to the general public at prices lower than the discounted prices available through this program. In such event, members will be charged the lowest price. Discounts on professional services are not available where prohibited by law. This plan does not discount all procedures. Providers are subject to change without notice and services may vary in some states. It is the member's responsibility to verify that the provider is a participant in the plan. At any time Careington has the right to eliminate a Participating Professional from the Careington network in which they are associated and may substitute Provider networks at its sole discretion. Careington cannot guarantee the continued participation of any provider. If he or she leaves the plan, you will need to select another provider. Providers contracted by Careington are solely responsible for the professional advice and treatment rendered to members and Careington disclaims any liability with respect to such matters. Services and service providers may change or be discontinued at anytime with notice as required by law.

Complaint Procedure: If you would like to file a complaint or grievance regarding your plan membership, you must submit your grievance in writing to: Careington International Corporation, P.O. Box 2568, Frisco, TX 75034. All complaints or grievances are documented in the monthly Quality Assurance log along with the date and content of the complaint or grievance. Members have the right to request an appeal of the complaint and grievance resolution. Appeals will be sent to the Committee and will be entitled to a second review with different individuals. After completing the complaint resolution process and you remain dissatisfied, you may contact your state insurance department. TX Residents: All complaints will be completed within 72 hours of receipt with the exception of billing inquiries that require further research or documentation.
